

"TOM" FOLEY WILL MARATHON TO BRONX

Whole Tammany Club Will Walk With Sheriff, as Dinner Is at Stake.

M'GUIRE CHALLENGER.

Taunts Fly Between Muldoon Alumni of Large Displacement and Result in Wager.

Those two extremely apparent alumni of the William Muldoon Institute at White Plains, Sheriff Thomas F. Foley and Eugene McGuire, the Bronx Tammany leader, have been keeping close watch upon each other since they were graduated during the holidays. Reports which have reached McGuire from his scouts have led him to make taunts that Tom Foley weighs more now than he did before he went to Muldoon's.

Sheriff Foley says he seorns to ask McGuire to weigh himself, but he will leave it to anybody who will take a good look at the Bronx man to say if he is the slim, graceful, shapely apple, little, slender athlete that Muldoon turned out. The dispute has finally reached the betting stage.

There is to be an entertainment in the Bronx, Monday night, under the auspices of the Bronx Arts of Eagles. Taunted by challenges and innuendo, Sheriff Foley has readily promised to attend that entertainment and to walk all the way from the downtown Tammany Club to One Hundred and Thirty-eight street and Third Avenue to be on hand.

Whole Club Will Walk.

If the Sheriff succeeds in covering the distance and lands alive, Mr. McGuire will buy the finest dinner the Bronx can afford for the downtown Tammany Club. Otherwise the dinner is on Foley. Sheriff Foley has called for volunteers from the high and low whole club has responded. The start will be made Sunday, this Monday afternoon and McGuire secret service men will line the route to see if Mr. Foley doesn't cheat with the aid of a street car or an automobile.

Foley is handicapped because he has just passed through Sheriff's four dinners, and last night he had to listen to the Rev. Dr. Stickey Grant, Borough President McGowan and Comptroller Metz make addresses in succession, but his wonderful powers of recuperation may pull him through by Monday afternoon.

EARTHQUAKE IN SPAIN.

MALAGA, Spain, Jan. 28.—An earthquake was experienced here this morning, but it was not severe and no damage was done. For a few moments the people were thrown into a condition bordering on panic, but calm was quickly restored.

JOKE NEARLY KILLED HER.

PITTSBURG, Jan. 28.—Dislocating her neck because of immoderate laughter at a joke told by a guest, Mrs. William Glessey suffered intense agony last night till the arrival of a surgeon.

Mr. and Mrs. Glessey were entertaining guests. One of them told a joke at which Mrs. Glessey began to laugh. She became hysterical and was unable to stop, when suddenly she felt a sharp pain in her neck and soon her face turned black. A surgeon, hastily summoned, soon pulled the neck back into place.

KILLED IN COLLISION.

Conductor Crushed to Death and Four Others Are Injured.

PITTSBURG, Jan. 29.—One man was killed and four others seriously injured today in a collision between a freight and construction train on the Pittsburgh and Lake Erie Railroad, at Beaver Falls.

The dead man is Conductor W. G. Wagner, of the construction train, and the injured are foreigners. It is said the construction train pulled from a siding in front of the freight train.
